WORK EXPERIENCE

3 day Robotics Seminar
2080

Me with my Assistant taught Junior Students the Fundamentals of IoT. My Principal Requested me to gather Enthusiast Students and provide them the concept behind Robotics. We assisted Students in making Projects like Line Following Robot, Smart Bulbing and Pulse Sensing Device. Some Students Developed Drone too.

Ride Sharing App
2081

After I completed my 12th, I saw Ride Experience Problem within my Locality as the E-Rickshaw Drivers increased their Fare and Passenger need to search vehicle for a very long time frame. To Address this Problem, I developed my own Ride Sharing Application from Scratch using Flutter and Laravel, all by Myself.

Robo War Competition

Om Shanti Academy conducted Robo War Competition where all the Participant were requested to develop their Robot which should participate in War. I had a work Experience of Developing such Robot for a week.
